

ICAM Technologies Corporation
AMENDMENT TO ICAM SOFTWARE LICENSE AGREEMENT
DUE TO HARDWARE EQUIPMENT CHANGE

By virtue of the ICAM Software Break-the-Seal License Agreement, and ICAM internal licensing records (keyfile/license pack) _____ (Company Name), hereinafter referred to as LICENSEE, is entitled to operate _____ (Product(s)) on _____ (Current Hardware and Operating System), identified by system number _____ (icam id). LICENSEE hereby requests that its License Agreement be amended so that it may be entitled to operate _____ (Product(s)) on _____ (New Hardware and Operating System), identified by system number _____ (icam id).

In consideration of being granted this amendment to its existing ICAM Software License Agreement, LICENSEE agrees to delete any and all Product(s) that operate on its present Hardware Equipment and, thereafter agrees to operate Product(s) only on the New (target) Hardware Equipment, as hereinafter amended, and governed by the ICAM Software Break-the-Seal License Agreement.

In the event that LICENSEE fails to delete its present Product(s) within five (5) days from the reception of the Product(s) governed by the Software License Agreement, LICENSEE shall be deemed liable towards ICAM Technologies Corporation for the full retail price of the Product(s) to be deleted, in addition to any damages, interest and costs to which ICAM Technologies Corporation is legally entitled in any action respecting the deletion and/or recovery of any ICAM Product(s) governed by the ICAM Software License Agreement.

License transfers will only be permitted within the same hardware platform and operating system. For customers on maintenance and support that require cross-platform license transfers, for example, UNIX to MS Windows or vice versa, a 15% trade-in value against the purchase of a new license will be provided on each individual license transfer.

Reasons for transfer: _____

Status and/or location of previously licensed hardware: _____

If New Hardware Equipment location is different from Current Hardware Equipment location, please indicate new address: _____
